Wilderness Rim Disaster Preparedness Team

There is interest in coordinating a disaster preparedness team for Wilderness Rim. Please contact events@wildernessrim.org if you would like to be involved in helping our neighbors.

Call for volunteers!

We are always looking for volunteers to help on committees and at neighborhood events. Contact events@wildernessrim.org if you would like to be involved with an Easter Egg Hunt or other park activities and contact trustees@wildernessrim.org if you would like to volunteer on a committee.

Winter Water Conservation Tips

Check for leaks after any thaws. A change in temperature can cause pipes to expand and contract, which may lead to more leaks. If a pipe bursts, turn off the water as soon as possible. Make sure you know exactly where your main water shut-off valve is located so that when an emergency strikes you can quickly save hundreds of gallons of water.
