

## Spring Property Clean-up

Firewise USA is a program from the National Fire Protection Association (NFPA) that helps communities reduce the risk of wildfires. The program encourages residents to work together with local fire departments and other stakeholders to make their homes and surroundings more fire resistant. The program asks for community members to complete a minimum of one volunteer hour on an activity that reduces wildfire risk in your community or on your property. **This can include yard work such as raking leaves, buying a metal doormat, paying a landscaper, assisting on the Firewise application, or attending a presentation from a firefighter.** If you have participated in any of the listed activities, please log your hours here: [Firewise Survey](#)

If you would like to report a tree that needs attention in the green belt, please mark it with a ribbon and email [office@wildernessrim.org](mailto:office@wildernessrim.org).

## Annual Budget Review

In April, the budget will be prepared and then presented to the Board in May for review and approval. The community will have the opportunity to ratify in June through the annual voting process. Voice your opinion! Email [office@wildernessrim.org](mailto:office@wildernessrim.org) or attend an upcoming board meeting (third Wednesday at 7pm). Current budget documents and financials can be found in the Agybyte portal in the "Documents" section. [Vantaca Home](#)

## Playground Update

Demo on the existing playground is scheduled for the day after Easter. Community install is happening May 9-10. An eBlast will be sent out with more details soon. Here is a picture of our new playground!

## Water meter reads and billing

Please ensure access to your meter is clear each odd numbered month and bills are due by the end of business on the last business day of every even numbered month. Don't know where your meter is? Usually, it is located near your property line on either side of the home, approximately 30 feet from the center of the road. Email [water@wildernessrim.org](mailto:water@wildernessrim.org) with questions or help locating.
