Wilderness Rim Association Newsletter August / September 2018

NEW MANAGEMENT SERVICES

WRA hired Agynbyte LLC out of Bellevue, Washington, to take over billing and some management responsibilities effective August 1, 2018. Agynbyte provides an online portal where owners can access account information and association records, minutes, and notices. Their personnel have a lot of experience working with associations and we are confident the change will be a positive one for our community. Questions? Email trustees@wildernessrim.org or service@agynbyte.com.

KING COUNTY FRANCHISE FEE

The WRA trustees voted to collect a \$6.11 fee per member account, per billing cycle, starting in July and is shown as a separate line item on the bi-monthly bill. WRA will hold the collected funds until invoiced by King County. If reduction in fee occurs from King County, the cost reduction will be passed on the membership. Any excess fees collected prior to the reduction or rescinding will be moved to the water reserve fund. More information on this can be found at <https://wildernessrim.org/notice-of-king-county-utility-rate-increase/>.
